

REMARKS

Although the figures were prepared and ready to file, we accidentally failed to include the figures when the application package was assembled for mailing.

On discovering our mistake, this Preliminary Amendment was prepared and filed.

All figures, 1A-10B, are described and referred to in the text of the specification.

After reviewing the specification text and figures, it is my opinion that no new matter has been added by this requested amendment of the specification.

In view of the foregoing, allowance of the above-referenced application is respectfully requested.

Respectfully submitted,
